

## License Agreement for the use of CODESYS Third Party Products from powerIO GmbH

General terms and conditions for the provision of this software or software package (hereinafter referred to as "Software"). Please read the software license agreement carefully before using the supplied Software. By downloading or installing the Software, you accept the terms of this license agreement. The following software license agreement applies between you - hereinafter referred to as the "User" - and the company powerIO GmbH, Eberhardstr. 65, 70173 Stuttgart, Germany (Registry Court: Stuttgart, HRB 770632, VAT ID: DE326320972) - hereinafter referred to as the "Provider". By agreeing to this license agreement, you acquire permission to use the Software from the CODESYS Store (<http://store.codesys.com>). If you do not agree to the following license agreements, you as the User are not permitted to save and/or install the Software. If you have already installed the Software although you do not agree to the license agreement, delete or uninstall the Software immediately.

### 1. Subject of the License Agreement

The subject of the license agreement is the Software you can obtain from the CODESYS Store.

### 2. Geographic Restriction

None

### 3. Usage Rights

The Software is a free and unencumbered product that is published in the public domain. The Provider places no restrictions on the use of the Software. In particular, this allows the User to copy, modify, publish, use, compile, sell or distribute the Software, either in source code form or as a compiled binary, for any purpose, commercially or non-commercially by any means. In jurisdictions that recognize copyright laws, the Provider dedicates all copyright claims that may accrue to the Software to the public. These rights are dedicated for the benefit of the public and to the detriment of our successors and heirs. This dedication shall be deemed an overt act of waiver of all present and future rights in this Software under copyright law.

### 4. Warranty

The User confirms and expressly agrees that the use of the Software is at his own risk and that he bears the entire risk with regard to satisfactory quality, performance, accuracy and effort. The Software may contain software, service and other errors. To the maximum extent permitted by applicable law, the Software is provided "as is" and "as available" with all faults and without warranty of any kind. The Provider hereby disclaims all warranties and conditions with regard to the Software, whether express, implied or statutory, including, without limitation, the implied warranties and/or conditions of merchantability, satisfactory quality, fitness for a particular purpose, accuracy, quiet enjoyment and non-infringement. The Provider makes no warranty that uninterrupted possession of the Software will not be impaired, that the functions of the Software will meet the User's requirements, or that the operation of the Software will be uninterrupted or error-free. The verbal or written information or statements of the Provider do not constitute a warranty.

### 5. Limitation of Liability

The liability of powerIO GmbH for damages culpably caused by the use of the Software is excluded if the damages were not caused intentionally or by gross negligence; this does not apply in the event of injury to life, limb or health or the culpable breach of material contractual obligations. Furthermore, the Provider shall not be liable for the loss of or damage to any recording or data, or damages incurred by the User as a result of claims asserted by third parties. The User confirms to fully indemnify the Provider as well as the employees and representatives against all liability claims, legal costs, claims for damages, losses, costs and other expenses in relation to any claims or actions against powerIO GmbH which arise as a result of the incorrect use of the

Software.

## 6. **Applicable Law**

These terms of use are subject to German law to the exclusion of the UN Convention on Contracts for the International Sale of Goods. The place of performance and jurisdiction for all disputes arising from and in connection with this agreement is Stuttgart. Each party may also be sued at its general place of jurisdiction.

## 7. **Severability Clause**

Should a provision of this contract be or become invalid, or should the contract contain a loophole, the validity of the remaining provisions shall not be affected. In place of the invalid provision or to fill the gap, a provision shall apply which, as far as legally possible, comes closest to what the contracting parties intended or would have intended had they considered the point.
